## Objective

---

I am hard working, dedicated, and passionate about film. I strive for a balance between speed and creativity and ensure that neither is compromised. I am very knowledgeable of the language of film, and what makes a good film work. I thrive in a high-pressure environment and am an excellent multi-tasker. My years in customer service have given me a remarkably thick skin, and a cool demeanor when faced with problems. I look forward to applying these skills to my next endeavor.

## Experience

---

### Editing

**June 2005 - Present**

I have worked on many projects as both Lead and Assistant editor. I have experience working in narrative, commercial, music video, reels/sizzles, and reality editing. (Full List Attached)

### Production Crew

**July 2007 - Present**

I have worked on set as a Production Assistant, Grip, Boom Operator, Sound Mixer, Assistant Director, and Script Supervisor on many productions. I have directed several short films, including the award winning "She's Not Alone!"

### The Coffee Bean & Tea Leaf

**Nov. 2006 – March 2015**

Was a Shift Supervisor at one of the top performing and most recognized stores in the company. I was in charge of task delegation, cash management, team member training, problem solving, customer service, and I am an expert barista.
